FCSI–The Americas Division 2018 Project Showcase

PROJECT SHOWCASE

Professional foodservice design and advisory services from the members of the Foodservice Consultants Society International

Be a part of FCSI–The Americas Division's FCSI 2018 Project Showcase, an oversized, glossy "coffee-table-style" showpiece that highlights the very best design work of FCSI–The Americas Design and MAS consultant members.

Publication Date: September 2018

Circulation: 12,000+ including consultants and operators—commercial and noncommercial, contract management company reps, hotel companies, casinos, etc.—as well as a list of 10,000 architects and general contractors, property developers and other construction/facility decision makers.

Plus, additional issues for future distribution at industry shows.

All circulation is in North and South America.

Publication Size: 10.75-in.W x 10.75-in.D

Don't miss this unique opportunity to promote FCSI–The Americas Division consultants' work to the architect and property-development communities. It's the one and only project publication scheduled solely for the FCSI–The Americas Division in 2018.

**Let's build
business together!**
